SCAFFOLD M-POWER (PROPRIETARY) LIMITED (a subsidiary of WACO AFRICA LIMITED)  
SGB SCAFFOLDING SYSTEMS ( A division of WACO AFRICA LIMITED)  
(that one of which shall be the contracting party being hereinafter referred to as “the Supplier”)  
SPECIAL CONDITIONS OF CONTRACT RELATING TO SATELLITE CONTRACTS  
(additional to general and special conditions of contract)**

- 1) The access Satellite Work Platform complies with the code of practice for single mast elevating works platforms issued under the Machinery & Occupational Safety ACT 1923 (ACT 6 of 1983). A specification sheet is enclosed as well as the OHS ACT of 1994 refers.
- 2) 380/3/50 Power supplies to be provided by the Hirer at no cost to the Supplier. Point of supply to be within 30m of platform operating position.
- 3) One 220v power outlet will be available for your use on the platform.
- 4) The Supplier will train at least 2 members of the Hirer’s regular staff on platform operation, which is simple and only involves a few hours of instruction. A formal certificate is issued. Only holders of said Certificates are authorised to operate platforms. The Supplier does NOT hold themselves liable for any injury or damage caused by unauthorised platform use or operation.
- 5) The Hirer is, in terms of the Machinery & Occupational Safety Act, responsible for maintaining platforms in a safe operating condition from date of handover and for carrying out the mandatory inspections.
- 6) The mast is free standing to 10m high, thereafter it is tied at approx. 8m intervals.
- 7) The Hirer to provide free use of site Crane, Transformer or Generator as necessary.
- 8) The Hirer to provide a firm and level base for platforms and to ensure the existing ground is capable of withstanding imposed loads from platforms.
- 9) The Hirer to maintain platform in a clean condition throughout duration of contract. Failure to do so may lead to liability for cleaning charges.
- 10) The prices are based on rates ruling as at date of quotation and are subject to escalation as per Table 1 Work GR27 (PRELIMINARIES).
- 11) The Hirer shall be responsible for providing all necessary pavement licenses and pedestrian protection.
- 12) The Hirer shall ensure that existing roof is capable of safely withstanding additional imposed loads from platforms and to be responsible for supplying all necessary back propping.
- 13) Whilst the Supplier will take every precaution, the Supplier will not be responsible for any damage caused to roof / roofs during the course of the work.
- 14) The Hirer shall be responsible for making good at Satellite Tie Position as and when platform mast is dismantled.
- 15) This quotation is subject to a site inspection by representatives of the Supplier.
- 16) Hirer to be responsible for all our materials, from first day of delivery to last date of collection.  
NOTE: The materials are not insured whilst in your possession, therefore any equipment damaged, lost or stolen will be charged for as per our Contract Conditions.
